Grades K-12

Requesting Teacher – Katie Meyer SMS

ePals enriches K-12 learning in the classroom and at home with innovative web-based tools and the highest standard of children's stories, games and digital media on the Web. This is a digital version of pen pals.

Red Flags

Must be over 13 or have parent consent

Parent permission required if under 13

Links may take users to 3rd party sites

Fields Required: none

Per Privacy Policy:...we may collect the following types of personally identifiable information directly from children: first name; last name; date of birth; email address; ePals email address; password; nickname; IP address; grade level; mailing address; and parent's name and email address. We may also generate a login ID for the child that is different than the child's actual name. None is required for use and we expect SACS students will NOT provide this information.

Notes: This site requires a teacher account. Once the teacher creates the account ePal accounts are auto generated for the students. The names are by default a combination of the numbers and the teachers name but can be changed by the teacher. Passwords are also generated by the site.
