

Rick Travis - bio

Rick is a member of our own BPTMN chapter, Class of 2018. He owns a Bachelors' Degree in Forest Management and an MBA, both from Stephen F. Austin State University. With retirement from his business career, Rick is fulfilling a long-deferred desire for involvement in the environmental sciences. He is currently serving as the BPTMN Chapter President. He is also a member of the City of Frisco's Urban Forestry Board, and a volunteer trail guide at several places, including the Heard Wildlife Sanctuary, the Lewisville Lake Environmental Learning Area (LLELA), and Frisco parks and nature trails.
