Agenda

- Chit-chat while folks connect and set context for the hack (5)
- Discuss ideas/plans for hack (10)
- Hack (60)
- Identify next steps and who will do them (15)

RSVP/attendance

- (you don't need to, but feel free to let us know if you're joining!)
- Peder Isager
- Daniel Lakens
- Chris Chartier
- Anna Szabelska
- Zoltan Kekecs

Context

- Chris has been working on a vision statement...a precursor to a full strategic plan for the PSA. We need broad consensus on early foundations before we make a full plan. This doc will be released on the blog and opened up for wide feedback on August 30th.

Optional hack prep

- Check out the [draft](#)

Goals of this hackathon

- Read, suggest edits, add comments, and discuss the draft with an eye towards getting it ready for draft release at the end of the week
