EAEA20 Call for Papers and Panels

The Program Committee is now issuing a call for papers related to the Convention theme and for papers on a wide range of economic issues. We consider all academic papers that are applied, empirical and policy-relevant in nature and related to Asia. Theory papers that are relevant to the theme of the conference and can develop applied research will also be considered. Pure theory papers will not be considered.

This form will be open for submissions until 15 May 2025.
