

# Updates to Contract for Independent Contractors

August 2023

Updates to StaffonTap's Contract Terms are as follows:

1. Payment Terms have changed, effective, August 2023. Partnership and implementation with our new payment providers, Viventium and Zayzoon, have been completed. Communication to Team and Independent Nurse Contractors went out on 8/17/23 with final updates and changes to payment terms.
2. Occupational Accident Insurance requirement has been added to all new contracts, effective Sep 1, 2023. Nurse Contractors onboarded prior to this date have been notified they must also meet this requirement effective Sep 1, or suspension will occur until proof of Occ Acc insurance has been submitted.
3. Inservice Training requirement has been added to all new contracts, effective Sep 1, 2023. Nurse Contractors onboarded prior to this date have been notified they must also meet this requirement effective Sep 1, or suspension will occur until proof of Inservice training has been completed.
4. Updates to requiring Liability Insurance on an annual basis have been implemented:
  - a. StaffonTap still offers reimbursement of up to \$120 (or the cost of the policy, whichever is less) for Professional Liability coverage purchased in order to begin work with the agency. Inforce policies, and subsequent required renewal premiums, are at the Nurse's expense.
