

The Meggles Art: Terms and Conditions

I will NOT begin the commission until payment has been **fully paid, Paypal USD**, unless discussed otherwise.

When the commission has been secured, you, the commissioner, will be notified which number in the queue you are in the current batch.

Commissions will be done in a timely manner, however, if there are any delays, I will notify you. Patience is always appreciated!

You are always more than welcome to message me if you request an update on your commission.

But please don't harass or come off demanding/rude. This is not appreciated.

NO REFUND if the commission piece has already been lined/colored.

Additional FEES: United States Tax 4% of commission.

Tips are much appreciated since PayPal takes a Fee, but not required!

(complicated designs or more then one figure will have additional fees)
