

Student Library Survey Responses

Plans for next school for the KHS Library include the possibility of having a MakerSpace. A MakerSpace is a place for students to go to learn, create, innovate, and invent. Which of the following items would be the most interesting to you?

In your own words, please describe what would make you want to come to the library more.

Being more colorful and having more than just a library

more things that can help me with projects

More activities. I guess more freedom.

Had music playing

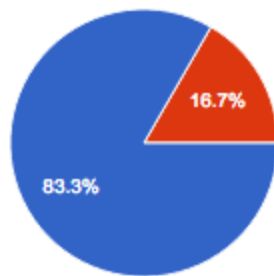

A bigger lounging area

How it looks and technology. The decor is kind of old-fashioned and outdated. We also need cool devices to engage students more.

More life in it. More fun. COFFEE.

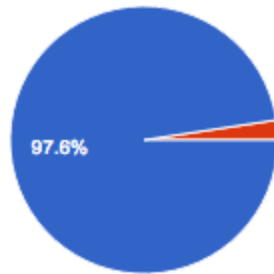

A place we can hang out/ create things.

The KHS Library is also considering creating a green screen room for students to make their own films for school purposes or for fun. Would you utilize this if it were available?

Yes	35	83.3%
No	7	16.7%

Do you think the library should have a cafe?
