1. Academic Year : 2024-2025
2. Name of the Event : Photo walk
3. Date of the Event : 31/08/2025
4. Organized by (Event Incharge) : Shivakumar Reddy
5. Objectives of the Program : The objective of a photo walk to the historical Qutub Shahi Tombs is to provide participants with an opportunity to enhance their photography skills while exploring and appreciating the rich cultural and architectural heritage of the site. It aims to foster creative expression and a deeper understanding of the local history. Additionally, the photo walk offers a chance for relaxation and mindfulness in a historically significant and scenic environment.
6. Event report : On 31/08/2024, mass communication students B.A embarked on an enriching photo walk to the Qutub Shahi Tombs, a historic site in Hyderabad renowned for its stunning architecture and rich cultural heritage. The event was organized to provide students with an opportunity to explore and photograph the unique architectural features of the tombs while deepening their understanding of the Qutub Shahi dynasty's history.

During the photo walk, students were able to capture the essence of the site through their lenses, focusing on the intricate details of the tombs' Persian, Pathan, and Hindu architectural styles. The activity allowed them to experiment with different photography techniques, enhancing their skills in capturing the grandeur and beauty of historical structures. As they moved through the site, students also participated in discussions about the historical significance of the tombs, learning about the dynasty that once ruled the region and the cultural influences reflected in the monuments.

The event not only provided a hands-on learning experience but also fostered a deeper appreciation for local history and architecture among the participants. By the end of the photo walk, students had not only gained new photography skills but also a greater awareness of the historical and cultural narratives embedded within the Qutub Shahi Tombs.

7. Outcomes : The photowalk to the Qutub Shahi Tombs provided students with a valuable opportunity to enhance their photography skills by learning essential techniques such as framing historical structures and applying the rule of thirds. They gained hands-on experience with the technical aspects of photography, including adjusting exposure, focus, and composition, to effectively capture the grandeur and intricate details of the tombs' architectural style. As a result, students were able to produce compelling photographs that showcased the rich history and unique design elements of the Qutub Shahi Tombs.
