

Libraries/LMCs (Media Center)

The school's library is open during the school day. Books are loaned for a week or two and may be renewed one time. A fine of five cents a day will be charged for an overdue book. If a book has not been returned one month after the due date, the borrower must pay for the book. A supervisor is on duty at all times to help the students in finding materials and assist them in their work. Books in our library collections are selected for a wide range of readability and interest levels. All books may not be appropriate for all children. If you feel a book is inappropriate, it would be important for you to help your child to understand your viewpoint in order to guide him or her in making future selections. Just as you monitor television, movies, video games, and Internet use, we encourage you, as parents, to monitor materials that your child reads.
