

A Nomad's Life Guided Notes

Directions: Your Guided Notes are a tool to use as you read your lesson pages in the course. These important notes will help you complete your lesson assessment, as well as prepare you for Discussion-Based Assessments, unit exams, and segment exams. You do not need to submit your Guided Notes for grading.

Key Vocabulary

Word	Meaning (use context clues)
Technology	
Hunter-gatherer	
Nomadic	
Adapt	
Resources	
Clan	
Domestication	

Paleolithic Life

Evidence suggests that *Homo sapiens* and Neanderthals lived in the same geographic areas during the late Paleolithic era but were very different. List their shared and individual characteristics below.

<u>Homo sapiens</u>	<u>Both</u>	<u>Neanderthals</u>
----------------------------	--------------------	----------------------------

What might you find in a Paleolithic cave? List items from the cave and the purpose of each in the chart below. One example is completed for you.

Object	Purpose
Stone tools	A hand ax could be used to cut down trees.

Early Human Life and the Environment

The environment helped determine where early humans lived and how they survived. Complete the sentences below.
