

Section _____

Use your outline to compose an organized response about the “real story” in the picture book you read in class. Go beyond the outline when necessary to make your writing clear and original. Use my response as a model for how many paragraphs you should have and how you might compose some of your sentences. You may use this sheet for your response, looseleaf, your notebook, or type and share your response with me on Google Drive. (sstaysniak@gmail.com)

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
