

Vancouver Athletic Football Club

VAFC Financial Assistance Policy

We believe that all children should be given the opportunity to play soccer. If your child requires financial assistance in order to register and play on a team or participate in spring or summer programming, there are several options for funding through external organisations and with VAFC. Please review the links provided below for more information. The player needs to apply directly for funding, the club cannot apply on your behalf. Any approved funds are sent directly to the club and will be assigned to your player.:

- [KidSport](#)
- [Athletics 4 Kids](#)
