

SFHS~ MEETING THE INTERESTS & ABILITIES OF ALL STUDENTS!

What is RtI? What is ENHANCEMENT TIME?

Each child is unique in the talents, interests, and abilities they possess. It is the Sheboygan Falls School District's philosophy to meet the interests and abilities of **ALL** students through **Response to Intervention**. **RtI** provides a framework for achieving higher levels of academic and behavioral success for **ALL** students and is practiced by all teachers. This occurs through differentiation and the adjustment of the curriculum and instructional practices based on the learning needs of students, throughout each day and in every classroom.

RtI also provides focused time designated for interventions, enrichment and challenge opportunities to occur during our SFHS **ENHANCEMENT TIME**. The purpose of **ENHANCEMENT TIME** is to provide students the opportunity to see a teacher to get the extra help they need in a subject area, go above and beyond in an area of interest, and participate in sports, clubs and activities. Through this time and with the collaboration of students and staff, the goal is to maximize the potential of every child at SFHS.
