Privacy Policy

Introduction

Our privacy policy will help you understand what information we collect at Pomodoro : FlowStead, how Pomodoro : FlowStead uses it, and what choices you have. Pomodoro : FlowStead built the Pomodoro : FlowStead app as a free app. This SERVICE is provided by Pomodoro : FlowStead at no cost and is intended for use as is. If you choose to use our Service, then you agree to the collection and use of information in relation with this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible in our website, unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience while using our Service, we may require you to provide us with certain personally identifiable information, including but not limited to users name, email address, gender, location, pictures. The information that we request will be retained by us and used as described in this privacy policy.

The app does use third party services that may collect information used to identify you.

Cookies

Cookies are files with small amount of data that is commonly used an anonymous unique identifier. These are sent to your browser from the website that you visit and are stored on your devices’s internal memory.

This Services does not uses these “cookies” explicitly. However, the app may use third party code and libraries that use “cookies” to collection information and to improve their services. You have the option to either accept or refuse these cookies, and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Location Information

Some of the services may use location information transmitted from users' mobile phones. We only use this information within the scope necessary for the designated service.

Device Information

We collect information from your device in some cases. The information will be utilized for the provision of better service and to prevent fraudulent acts. Additionally, such information will not include that which will identify the individual user.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Third-Party Advertising related

We may allow the third-party online advertising network such as Google Admob and Facebook ads to collect information about your use of our App over time for playing or displaying ads that may be of interest to you.

To personalize the content of promotional communications relating to products and services offered by third parties on Google AdMob. You can find more information on how Google AdMob processes your personal data by visiting Google's Privacy & Terms.
