

COPPA Compliance Statement

COPPA Compliance Statement

Brix Academy is committed to protecting children's privacy using our cybersecurity learning platform. In compliance with the Children's Online Privacy Protection Act (COPPA), we have created policies and practices to ensure the safety and security of children under the age of 13.

1. ABOUT OUR PROGRAM

Brix Academy provides online cybersecurity education for children aged 8 to 15 through interactive lessons, games, and digital tools. Our platform is designed with child safety and privacy in mind.

2. INFORMATION WE COLLECT

We may collect the following limited information from children:

- First name or nickname
- Parent or guardian email address (for consent and communication)
- Age or birth year (to determine eligibility)
- Activity data (lesson progress, quiz scores)

3. PARENTAL CONSENT

We require verifiable parental consent before collecting any personal information from a child under 13. Consent may be obtained through:

- Verified email with follow-up confirmation
- Credit card verification
- Phone or video call with a parent or guardian

4. USE OF INFORMATION

We use collected information solely to:

- Provide access to educational content
- Track learning progress
- Communicate with parents
- Improve the platform experience

5. DATA SHARING AND THIRD PARTIES

We do not sell or rent children's data to third parties. We may use trusted service providers for hosting, analytics, and learning management who must follow COPPA-compliant practices.

6. SECURITY

We use secure servers, encrypted communication, and strict access controls to protect children's data.

7. PARENTAL RIGHTS

Parents have the right to:

- Review their child's personal information
- Request deletion of their child's information
- Revoke consent at any time
