Garima is part of the Class of 2024 at Virtual Learning Academy Charter School. She was the New Hampshire state champion for MATHCOUNTS for the last two years of her middle school, and has qualified for AIME since her 8th grade. In 2021, she was selected for Math Prize for Girls and also earned the Two Sigma AMC 10 Certificate of Excellence for being one of the top 5 scorers in AMC 10 in her region. She loves teaching - in her hometown of Concord, she and her brothers have founded a math club for middle school students.
