Statement of intent

This policy sets out the framework in which Waverley Academy will ensure that it actively promotes the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

These values are officially taught through the Religious Education (RE) and Personal Social and Health Education (PSHE) curriculum and are further nurtured through the school's ethos and promotion of spiritual, moral, social and cultural (SMSC) understanding.

1. Legal framework

1.1. This policy will have consideration for the following guidance:

- Ofsted, School Inspection Handbook, 2015.
- DfE, Improving the Spiritual, Moral, Social and Cultural (SMSC) development of pupils, 2013.

1.2. This policy is carried out in conjunction with our following other policies:

- Child Protection & PREVENT Policy

2.4. Pupils are expected to treat each other and staff with respect, in line with the school's Behaviour Policy.

2.5. We explore British Values through our school assemblies and PSHE / RE lessons – a list of assembly themes are available on request.

3. Democracy

3.1. At Waverley Academy pupils have numerous opportunities to have their views heard
e.g. through pupil questionnaires, pupil voice activities, Wellbeing Ambassadors and Learning Ambassadors.

3.2. Our pupils are encouraged to have an input into what and how they learn to instill an understanding of democracy for their future.

4. The rule of law

4.1. Waverley Academy has a high regard for the laws that govern and protect us, the responsibilities that this involves and the consequences when laws are broken. Our pupils are involved in the creation of class rules to inspire them with this understanding.

4.2. At Waverley Academy pupils are taught these values and the reasons behind laws, whether they govern the class, the school or the country, that are essential for their well-being and safety. Pupils are allowed healthy debate in class on the matter to encourage recognition of the importance of the law.

4.3. Waverley Academy organises visits from authorities throughout the academic year in an effort to reinforce the reality and importance of this message.

5. Individual liberty

5.1. At Waverley Academy we foster a safe and supportive environment where pupils are actively encouraged to make choices. Whether it is choosing a challenging task or an extra-curricular club, pupils have the freedom to base their choices on their interests.

5.2. Pupils are taught about their rights and personal freedoms and are encouraged and advised on how to exercise these safely, for instance through our teaching on e-safety and PSHE lessons.

6. Mutual respect

6.1. Respect forms a core pillar of Waverley's ethos. Pupils are treated with respect and learn to treat each other and staff with respect.

6.2. This is reinforced through our Behaviour Policy and the ethos throughout the school promoting mutual respect.

7. Tolerance of those of different faiths and beliefs

7.1. Waverley Academy acknowledges that tolerance is achieved through pupils' knowledge and understanding of their place in a culturally diverse society and the opportunity for pupils to experience such diversity.

Mutual Respect

As part of our positive ethos, children learn that their behaviours have an effect on their own rights and those of others. All members of the school community treat each other with respect. The school encourages pupils to raise monies to support local and national charities; it also supports emergency disasters that happen across the world.

Tolerance of those of Different Faiths and Beliefs

Assemblies are regularly planned to address this issue either directly or through the inclusion of stories and celebrations from a variety of faiths and cultures.

Our RE and PSHE teaching reinforce this. Members of different faiths or religions are encouraged to share their knowledge to enhance learning within classes and the school. Children visit places of worship that are important to different faiths. In addition, assemblies and discussions involving prejudices and prejudice-based bullying have been followed. The school staff are fully aware of the importance of being a role model for all pupils; demonstrating politeness, courtesy and respect for each other, visitors and children at all times.

At Waverley Academy we will actively challenge pupils, staff or parents expressing opinions contrary to fundamental British Values, including 'extremist' views.
