

(to the tune of the Itsy Bitsy Spider)  
We're turning off our tablets and putting them away  
We had so much fun but we're finished for the day  
We're using both our hands and we walk instead of run  
We put away our tablets and now the song is done

(ao som da Itsy Bitsy Spider)  
Estamos a desligar os nossos tablets e a guardá-los  
Divertimo-nos tanto, mas terminamos por hoje  
Estamos a usar as nossas duas mãos e caminhamos em vez de correr  
Guardamos os nossos tablets e agora a canção está pronta
