

2023-2024 West Allis Hale Hoops Team Code of Conduct

- **CO-CURRICULAR CODE**

All players must follow the Co-Curricular Code. This is in effect at all times: 24 hours a day, 7 days per week, on or off campus. A student-athlete may face disciplinary action and/or suspension for any behavior deemed unacceptable by the coaching staff.

- **UNEXCUSED ABSENCES FOR PRACTICES AND/OR GAMES**

All excused absences must be cleared by the Coach prior to the missed practice or game. Excused absences include schoolwork or other school functions, family emergencies and other extenuating circumstances. Unexcused absences include but are not limited to work or vacations. Penalties for unexcused absences are: First day missed will be sprints at coach's discretion. Second day missed will be ½ game suspension with each day thereafter adding another ½ game suspension.

***All final decisions are at the discretion of the coach**

- **TARDINESS FOR PRACTICE, GAME OR BUS**

1. First offense: One sprint for each minute player is late. (Sprint defined by coach)
2. Second offense: Two sprints for each minute the player is late.
3. Third offense: Entire team running a sprint with the player who is late.
4. Fourth offense: Entire team running minus the tardy player who is late and a possible disciplinary action which may include suspension or dismissal from the team (Coach's discretion)

- **24 HOUR RULE & COMMUNICATING STRATEGIES**

1. Any questions a player may have in regard to game strategy or playing time must be addressed the day after a game (**Never the day of the game**)
2. A communication strategy has been established for communicating with the coaching staff. Parents may approach a coach with regard to all areas of a student-athletes life, **EXCEPT** game strategy and playing time, unless the student-athlete has first talked with the coach himself. Student-athletes are encouraged to speak **directly** with their coach about any concerns they may have. If the player still has concerns after their conversation, a parent may then meet with the coach; however, the student-athlete must be present during the meeting. If the player and parent are still concerned after this meeting, the student-athlete, parent, coach, and athletic director can schedule a meeting. This communication strategy will be followed for all concerns that involve game strategy, playing time, or other decisions that a coach has the authority to make.
