

Login Instructions for PowerSchool and MyDash

PowerSchool is our student information system that allows you to view grades and attendance. You can access PowerSchool by navigating to <https://ccscambridge.powerschool.com/public/> in a web browser. This is what the login page looks like:

A screenshot of the PowerSchool SIS login page. The page has a dark blue header with the 'PowerSchool SIS' logo. Below the header, the title 'Student and Parent Sign In' is displayed. There are two input fields: 'Username' and 'Password'. Below the password field is a link that says 'Forgot Username or Password?'. At the bottom right is a blue 'Sign In' button.

You can also download the PowerSchool mobile app using the QR codes below. If you are using the mobile app, you will be required to enter in a 4-digit District Code which is **RJTM**.

- iOS App: <https://bit.ly/44vW5PA>
- Google App: <https://bit.ly/3sDrjac>

MyDash allows students and families to view entries in Dashboard. Dashboard is used by CCSC staff to record student behaviors throughout the school day, including things like showing persistence on an assignment, participating well in class, or supporting a peer, as well as things like arriving at school out of dress code or repeated class disruptions.

You can access MyDash by navigating to <https://mydash.ccscambridge.org> in a web browser.

Login information is the same for both PowerSchool and MyDash. You can get these details from your student's Advisor.

If you have any trouble logging into either of these systems, please reach out to parentportal@ccscambridge.org.
