- The Home Of The UK's No.1 Driving Course That Helps You Pass Your Driving **Test**
- From the Passenger seat of my Instructor's Car to **you**
- I'm Pin Binning and I'd like to introduce you to the first-ever comprehensive driving course for learner drivers and those who want to become **better drivers**.
- I call it the Ultimate Driving **Course**.
- I've been a qualified driving instructor since 2009 and my main goal is to help learner drivers pass their driving test as fast as possible without cutting any **corners**
- There were two things that as an instructor I found quite frustrating as they were slowing down the progress of learner drivers;
- How much time was spent parked up during a driving lesson with the instructor trying to educate the learner about the topic they were **covering?**
- How many learners had incorrect knowledge about the topic they were **practising?**
- It doesn't matter whether you already have an instructor. The course content is meant to go hand in hand with what your instructor will be showing **you**.
- The course contains a series of short precise videos on every subject required to pass the driving **test**.
- So say you have a driving lesson on roundabouts. Watch the video and absorb the knowledge and then go on your driving lesson already knowing exactly what you're supposed **to do**.
- No more wasting time parked up with your instructor trying to give **you information**.
- And if you feel like you are not getting enough from your instructor, this course is exactly for **you**.
- And it doesn't matter if you have failed the driving test **before**.
- This course covers all the bases to help you transform into a better driver and you can take this course at your own pace without feeling rushed by your instructor or anyone **else**.
- You have a chance to be the best driver you can ever **be**
- Here's what you get from the course...
- Over 35 easy-to-understand videos are updated regularly.
- **Module 1: Cockpit Drill / Controls**
- **Module 2: Moving The Vehicle**
- **Module 7: Dual Carriageways**
- **Module 10: Manoeuvres**
- The course covers every detail required to pass the driving test...

- Here's my promise to you, if you go through this course, and complete all the training, you will know how to deal with any driving situation and become more confident.
- I know this course will save you from taking extra driving lessons
- The course is available for the same price as what a driving lesson would normally cost!
- For 12 full months!
- Just click the button below to get the course and increase your chances of passing the driving test.

Want to focus on the fact that these lessons are Easy and Fast to learn, how Anyone who is learning to drive, regardless if you're a beginner or if you've taken 100 lessons, can benefit from this course in one Big way or another.

SL - You're missing INVALUABLE knowledge that will cost you your driving test!

How many lessons does it take to pass a driving test?

20? 30? **50?**

All those lessons spent parked up because you had no idea what your instructor wanted from you.

Making continuous silly mistakes, all of which had such "simple solutions".

But here's a question that'll determine if you pass your test...

Would you have taken all those lessons, if you knew those "simple solutions" took only **5 minutes** to learn?

5 minutes spent learning how to park.

5 minutes that will save you a **carload** of money on countless lessons.

And [5 minutes](#) that determines whether you pass or fail your driving test...

So, if you're tired of your instructor barking away at you...

And are ready to pass with flying colours...

[Take 5 minutes to implement these "simple solutions" into your driving skills](#)
