

Dear Greater Hampton Roads Alumni Chapter,

Thank you so much for awarding me the Anderson Memorial Scholarship for the 2021-22 academic year. I would say I am beyond blessed and thankful to receive this scholarship. I was so surprised to receive a reward like this and very thankful. I am currently a 3rd year Human Development and Family Studies Major and pursuing a minor in early childhood education. I am planning on graduating in May of 2023 and post-graduation I plan on becoming an elementary school teacher. Currently I am an Alpha member of the sorority Alpha Delta Pi and plan on getting initiated this weekend. I am continuing my THON Journey as the presidents of my special interest organization, Mack Madness. This scholarship has helped me financially on the road to my academic journey and has been so helpful thank you again to the donor and the alumni chapter that awarded me this scholarship.

Best,

Sarah Mackey
