WELCOME TO AMERICAN AIRLINES GAS MODEL CLUB (EST. 1938). WE ARE A CLUB COMPOSED OF MANY DIFFERENT INTERESTS IN R/C FLYING AND HAVE A MEMBERSHIP WITH SKILL LEVELS FROM BEGINNER TO EXPERT. OUR MAIN OBJECTIVE IS TO PROVIDE FOR SAFE AND ENJOYABLE FLYING FOR OUR MEMBERS. ANNUAL DUES ARE \$100.00.

RULES OF THE FIELD

1. There will be no running of gas model engines at the Rodgers Road. club field.
(The only exception is Thursday & certain specially announced events)
2. Silent aircraft (electrics, sailplanes & gliders) only on all other days, and all aircraft must meet the ≤ 95 dB at 9 feet noise requirement.
3. All flyers must be an AAGMC club member with a current ama card.
4. All flyers must have an FAA Registration Certificate, an FAA Trust Certificate, and their Registration number properly displayed on the aircraft.
5. Guests must have a current AMA card and may fly twice at the field under the supervision of a club member. "No exceptions."
6. No more than four aircraft are permitted in the air at one time.
7. All 72MHz transmitters will have channels marked according to ama guidelines and use frequency pins.
8. Good sportsmanship shall be practiced at all times.
9. All ama safety rules shall be observed. You are financially responsible for damages caused by negligence.
10. Drinking alcoholic beverages by anyone intending to fly is not permitted.
11. Please keep it slow when entering and driving on club property.
