

## **Come Sit by Me - Correlated to New Outcomes for 2016/17 - Science and Social Studies for K-2**

**Volume 1 is Blue**

**Volume 2 is Red**

\*\* note - Bible is covered in Come Sit by Me. Fine Arts is also covered by choosing a variety of art projects throughout the curriculum. Math would be well supplemented, you may want to use a consistent incremental math program and use the math activities as reinforcement. For Language Arts there are many writing opportunities in this curriculum. You may want to add in daily Language Arts practice (phonics and possibly grammar) but there is much of Language Arts covered through the writing and reading activities. The Practical Living/Outings aspects would even add more opportunities for meeting the outcomes below as well as many of the Health and Career outcomes. Health and Career is covered through many of the titles and concepts addressed in this curriculum.

### **Kindergarten Science:**

Needs of Plants and Animals

Franklin Fibs - Turtles and Flies

Franklin Fibs - Bear, Beaver and Hawk Food

Two So Small - Goats

Cinderella Penguin - Penguins, Penguins

Very Last First Time - Mussel Talk, Tide Pool Explorer

My Arctic 1,2,3 - My Favourite Arctic Animal is..., Predator and Prey, Food Chain, A Frigid

Home Baseball Bats for Christmas - Cool Trees and Warm Trees

Back to the Cabin - Muskrat and Loons, Salmon Life Cycle

Thor - Winter Fish

One Watermelon Seed - Splitting Seeds, Baby Plants, Bug Alert

Thor - Expanding Ice  
Emma and the Silk Train - Flowing with the River

#### **Grade 2 Social Studies:**

Diverse Characteristics of Communities in Canada and Around the World - including Diverse features of environment

Back to the Cabin - Mighty Rivers, Saddle Rock and Ferrabee  
Tigers New Cowboy Boots - Mountains and Foothills  
Claire's Gift - The Ladies of Cheticamp  
Hold on McGinty - Transcontinental Railway, Trans-Canada Highway, Go West Young  
Man Ida and the Wool Smugglers - Canadian Islands  
Hannah's Collections - Worldly Stamps and Coins  
One is Canada - The Point of a Compass, Ten Provinces and Three Territories, Superior to Ontario  
To the Post Office with Mama - The Mailbox Route  
Petranella - Petranella's Journey  
The White Stone in the Castle Wall - Walking the Streets  
Emma and the Silk Train - Trans Continental Railroad  
Pedrito's Day - Where is Central America?  
Don't Dig so Deep Nicholas - Where in the World is Australia?, Digging to  
Australia Weighing the Elephant - Where in the World is China?  
The Name of the Tree - Where in the World is Africa?, Arid Deserts and Lush  
Jungles I Went to the Bay - Water Bodies  
Eenie Meenie Manitoba - Next Stop - Halifax  
Northern Alphabet - That's All Tundra, Amadjuak to Zangeza Bay, Territories of the  
North Northern Alphabet - Marking Mountains  
Prairie Alphabet - That's All Prairie  
The City ABC Book - Capital Cities

The Seaside Alphabet - The Appalachian Region, What Island?

Local actions can have global consequences and Global actions can have local consequences  
(Global Citizenship)

Hold on McGinty - No More Fish

Something from Nothing - Waste Not

Waters - Water Careful

City ABC - Ride the Rocket (pollution control)

Rights and responsibilities of British Columbians and Canadians

One is Canada - O Canada!

Katie's Hand Me Down Day - To Give is Better, A Timely Offer

Just Like New - What is War?, War Guests

Alfie's Long Winter - Getting Ready

Communities are interconnected with their local  
environment

Hold on McGinty - No More Fish

Something from Nothing - Waste Not

Ida and the Wool Smugglers - Canadian Islands

Emma and the Silk Train - Better Safe than

Sorry Pedrito's Day - From Market to Market

A Northern Alphabet - Getting Around, Up North Pastimes

A Prairie Alphabet - Life on a Farm
