

ACCTA 2020 Affinity Groups
Wed October 21, 1-2pm Eastern Time

Affinity groups are offered toward the end of the conference and provide a space for Training Directors to meet and connect on a more personal level. These group discussions are informal and have traditionally had a more social justice/diversity theme to them. Affinity Groups were created at ACCTA in 2003 with the desire to connect with other Training Directors who share similar group membership regarding various aspects of identity. For example, connecting with other TD's who are parents, identify as sexual minorities, or share a particular religious/spiritual orientation.

Below is a list of some examples of past Affinity Groups. New groups are created every year and this document serves as an electronic "white board" for members to add a group they are interested in for this particular conference. Members have shared that these groups help them connect at a deeper level with other TD's who perhaps have similar struggles, joys and challenges in their personal/professional lives.

If you add a group, please include a Zoom link that can host multiple participants for an hour.
