Comfort Kit

We want to make sure our students are adequately prepared and provided for if an emergency occurs while they are at school. Part of the safety plan involves parents providing a comfort kit for each Maplewood student.

Essential items to be included in the comfort kit:

1. Warm hat and gloves
2. Pair of socks
3. One large plastic garbage bag (*e.g., the lawn and garden size to be used as a poncho*)

The school will provide water/snacks and basic first aid supplies.

Please place all items into a one-gallon freezer zip lock bag and mark the bag with your child's name. The comfort kit can then be turned in to your child's classroom at the start of school and will be stored in the emergency shed near the playground. Comfort kits will be returned to students at the end of the school year.

Note: All items must fit into the Ziploc bag with the top closed. Food needs to be non-perishable and simple to open. Do not include liquids.

Optional items to be included in the comfort kit:

1. Family picture
2. Comfort letter. (*See sample below*) **Sample Letter:** *Have letter with family photo facing out of the bag.*

Hi Sweetheart,

I am sorry that I am not with you right now. I will try to pick you up as soon as I can. Pretend that I am giving you a great big hug right now. Enjoy your snack and I will be seeing you soon!
