DEPARTMENT OF ENGLISH

OPEN MIC EVENT 2023-24

The Department of English conducted an Open Mic Event on March, 12 2024 to provide a platform for the students those who have never exposed to the Mic to showcase their talents and creativity on stage. This not only boosts their confidence but also allows them to share their unique skills with their peers.

Students actively and enthusiastically participated in various creative activities like self-introduction, proverb saying, storytelling, poetry, and including singing. This demonstrates the rich and diverse talents within the student community. It empowers them to step out of their comfort zones and embrace their potential.

This event helped students overcome hesitation, nervousness, and stage fear. By taking the stage and performing, students gained valuable experience and became more comfortable in public speaking or performing situations. The event played a crucial role in breaking the shackles of fear and self-doubt that often hold students back from expressing themselves
