

Welcome Back to the 2025–2026 School Year!

July 2, 2025

Dear Eagle Families,

I hope all of our families had a safe, restful, and enjoyable summer break. It's hard to believe how quickly the time has flown, and now we're just about ready to kick off another exciting school year! I'm thrilled to welcome back our students and families as we begin the 2025–2026 school year together.

With each new year comes fresh opportunities and some exciting changes. This year, you'll notice updates to our bell schedule. In our continued effort to support every student, we've introduced a 30-minute Advisory period, Monday through Thursday. During this time, students will engage in AVID strategies, explore career pathways, learn effective study and organizational skills, and monitor their academic progress.

Additionally, we've moved to a unified bell schedule for both junior high and high school students. This change reduces scheduling barriers and opens up more course options for all students. To align with Arizona Department of Education seat-time requirements, the school day will now run from 7:20 AM to 2:42 PM, Monday through Thursday.

Fridays will follow an alternating A/B schedule:

- A Fridays: Periods 1, 3, 5, and 7
- B Fridays: Periods 2, 4, Advisory, and 6

EVIT students are required to attend Monday through Friday from 7:20 to 11:26 AM. To support this, we've built a dedicated class period into their Friday schedules.

Please be sure to read the information below as I have included important information about Eagle Day, Thursday, July 17, 2025 from 3:00 - 7:00 PM.

We're excited about these enhancements and the opportunities they bring. Thank you for your continued partnership and support. Let's make it a fantastic school year!

Warm regards,
Dr. Jennifer L.H. Murphy
