

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Law is Life Itself

“Law is life itself and not the rules of its conduct. Evil is a transgression of law, not a violation of the rules of conduct pertaining to life, which *is* the law.”

[48:6.33](#)

律法即生命本身

「律法即生命本身，而非其行為準則。邪惡是對律法的僭越，而非違反有關生命的行為準則，因為生命即律法。」
