

Read about Tony and answer the questions on your notebook.

Hi! My name's Tony and this is what I eat every day.

In the morning, I don't have a big breakfast because there isn't a lot of time. I have three brothers and sisters and sometimes I wait ten minutes to have a shower! I usually have a bowl of cornflakes for breakfast and a cup of tea. If I need to eat more, I have an apple on the bus to school. For lunch I take a lunch box with a sandwich, a bag of crisps, some fruit and fruit juice, usually orange juice. My friends often have chocolate biscuits and fizzy drinks but I don't like them. In the evening, we have dinner together at about six o'clock and we normally have meat with two or three different vegetables. My mum likes healthy food and she doesn't often make fatty meals.
