Region VII Virtual Academy
Enrollment Criteria & Eligibility Requirements*
SY22-23

Applicants for the Region VII Virtual Academy must meet <u>and maintain</u> the following:

<u>Academic Progress</u>

- Kindergarten applicants must be five years old by September 30 of the upcoming school year to enroll.
- Students must be on track for respective grade level and in good academic standing, as determined by home school division. Data from the previous school year will be taken into consideration when making a determination on eligibility for the R7 Virtual Academy.**
- Students in grades 9-12 must have a minimum GPA of 2.0.
- Students in elementary and middle school grades must have at least a 70% average in Reading and Math.
- All students must maintain at least a 70% in core classes throughout the duration of the school year.

<u>General Expectations</u>

Attendance

- The Code of Virginia's policy on educational attendance applies to virtual schooling and compulsory school attendance is *required by law*. In the virtual learning environment, attendance is defined as:
    - *Meeting the attendance expectations set forth by the virtual provider*
    - *Participating in any required synchronous learning opportunities made available by your instructional provider*
    - *Completing all online assignments for each class in a timely manner*
    - *Reaching out to teachers as necessary regarding questions or concerns with classwork*
- Any student who is not logging in and completing work appropriately will be notified of a need for improvement. If adequate progress is not achieved, the student will be asked to report to in-person learning.

Technology

- All students must have access to **reliable** internet.

*School division may alter defined expectations as deemed appropriate to meet specific needs or as otherwise approved by the superintendent.

**School division reserves the right to revoke enrollment in the Region VII Virtual Academy if a student is not meeting expectations.

*** School division reserves the right to determine VHSL participation.
