

MRP Beta Testing Intake Form (For Download and Google Docs Upload)

Title:

MRP Beta Testing Interest Form

Description:

Thanks for your interest in testing the Metacognitive Resurrection Protocol (MRP).

MRP is a system I developed for trauma healing, ADHD stabilization, and mission alignment, rooted in what's worked for me and now being quietly tested with aligned individuals.

This is free, with no strings, in exchange for your honest feedback as you try the protocols.

If you're open to exploring and committed to engaging with the process, please fill out this short form. I'll reach out if it feels aligned.
