

## 5 Pinch Pots, 5 People, 3 Days

## RESPONSE WORKSHEET

### Objectives:

Create 5 well formed, well thought-out pinch pots for 5 different people: you, a friend, a classmate, a family member, a stranger.

### Products:

A. 5 pinch pots with the following criteria:

- Each must be deliberately created, considering both responses to the 5 clarifying questions and technical attention. Consider: shape / content (meaning) / surface (textures and colors) AND refinement: thin, even walls and bases, deliberate “mouth”
- No larger than approximately 3” in any direction after shrinking

#### 1. Your Personal Responses

### Reminders:

1. Remember, when you design each pinch pot, use at least 2 of the interviewee's response elements (*at least 3 to exceed...*).
2. Keep your notes as you'll be asked to reflect on your decisions
3. You should have a pinterest board with pinch pots; it might make sense to look/add to that as you are thinking of shapes, ideas, etc. (*but keep yours original!*)
