Gestational Surrogacy Compensation Package Agreement Kendra S

Standard Compensation - These line items have a set value that will be paid as stated below and due in all matches.

Experienced Surrogate's Base Fee	\$70,000
Second Trimester Bonus	\$10,000
Monthly expense allowance (paid at \$350.00 per month for an average of thirteen (13) months, starts with first month of medications)	\$4,550
ERA/Mock Transfer (fee is per mock cycle)	\$ 300
Start of Medications (due at the start of medications, not including birth control pills)	\$500
Payment for embryo transfer (due at each embryo transfer)	\$ 1,500
Maternity clothing allowance (if carrying multiples, amount increased by \$250)	\$1,000
Total Experienced Surrogate Standard Compensation	\$87,850

Variable Compensation - These line items will vary in terms of amount due based upon how a match progresses. Specific amounts shall be agreed upon between the Surrogate and Intended Parent(s) during the match process and prior to the drafting and negotiation of contract. Prior to the drafting and negotiation of contract, Surrogate and Intended Parent(s) shall acknowledge receipt of an agreement to the compensation package which shall be distributed to counsel for both.

Travel: To the extent Surrogate is required to travel greater than fifty (50) miles from her home to fulfill her obligations under this Agreement, she will be reimbursed for her actual, reasonable travel expenses as provided below. Surrogate shall be reimbursed for her mileage at the Internal Revenue Service's business rate for the year in which travel is conducted. Should air travel be required, Surrogate shall be reimbursed for actual costs of airline tickets and parking fees for she and a companion. If Surrogate is required to stay overnight away from her home in the performance of her duties under this Agreement, Intended Parent(s) agree to pay for a reasonable, cost efficient hotel, with arrangements to be made by or approved by Intended Parent(s) in advance of her travel. For a required overnight trip away from her home, Surrogate will also receive a non-accountable meal allowance of seventy-five dollars (\$75) per day.

TBD

Surrogate's Lost Wages: Surrogate shall be paid gross lost wages minus taxes for hours missed from work for (i) restriction of activities/bed rest in accordance with doctor orders; (ii) post delivery recovery (up to four (4) weeks after birth for vaginal delivery, six (6) weeks for c-section delivery); (iii) court appearance, (iv) partial or full hysterectomy, (v) attendance at embryo transfer, and (vi) attendance at each doctor appointment. Surrogate is also entitled to receive \$80 per week for housekeeping, and up to \$25 per hour for childcare, not including overnight stays. Overnight stays will be \$200/day for the total number of days when travel is required. This is for actual housekeeping and childcare utilized in the cases described above (i-vi). A recent pay stub for the previous pay period must be provided to Await Surrogacy at time of reimbursement request. The amounts provided are an estimate and may fluctuate according to Surrogate's actual gross wages at the time of reimbursement request. The taxes will need to be deducted as well. Her hourly rate as of 9/26/2025 is N/A.

TBD

Surrogate's Spouse's Lost Wages: Surrogate's spouse shall receive gross lost wages minus taxes in the amount of actual wages lost when Surrogate's spouse attends a qualifying event. The number of days requested for attendance at medical screening or embryo transfer must be approved by Intended Parent(s) prior to the event and will be based on the fertility clinic travel companion requirements, bedrest protocol, and the distance traveled from the Surrogate's home. Qualifying events and the number of days of allowed payment of gross lost wages minus taxes include: medical screening, if required by fertility clinic or if agreed upon during match (up to two (2) days); each embryo transfer, if required by fertility clinic or if agreed upon during matching (up to three (3) days); vaginal birth or miscarriage procedure (up to three (3) days); and/or cesarean section delivery (up to three (3) days). A recent pay stub for the previous pay period must be provided to Await Surrogacy at time of reimbursement request. The amounts provided are an estimate and may fluctuate according to Surrogate's Spouse's

actual gross wages minus taxes at the time of reimbursement request. His hourly rate as of _____9/26/2025_____ is ____\$69____.

Match Specific Compensation - These line items have a set value that will be paid as stated below and may or may not be due in a particular match.

Compensation for carrying multiples (amount is per additional fetus)	\$ 10,000
Invasive procedures (amount is per procedure regardless of timing of procedures)	\$ 750
Cesarean section	\$ 5,000
*Partial hysterectomy	\$ 5,000
*Complete hysterectomy	\$ 15,000
*Loss per ovary	\$ 5,000
*Loss per fallopian tube	\$ 2,500
Documented vaginal tear of 2nd degree or worse requiring sutures	\$1,000
Counseling (provided to the Surrogate and/or Surrogate's spouse, if needed)	up to \$1,000
Breastmilk, pumping and supplies	\$300 a week
*Insurance policy add-ons available to cover for loss of organs, hysterectomy, disability, fetal demise. Will arrange appointment with insurance professional at IP's request.	

Post Delivery Recovery - This is due in all matches at a rate of \$80 per week for housekeeping, and up to \$25 per hour for childcare, not including overnight stays. Overnight stays will be \$200/day for the total number of days when travel is required. This is for actual housekeeping and childcare utilized in the case of post delivery recovery. Lost wages will be calculated by taking the gross wages and subtracting the taxes and dividing by the total number of hours worked in the same period. A recent pay stub for the previous pay period must be provided to Await Surrogacy at time of reimbursement request. The amounts provided are an

estimate and may fluctuate according to Surrogate's actual gross wages minus taxes at the time of reimbursement request. Her hourly rate as of 9/26/2025 is N/A.

If delivery is vaginal in nature, six (6) weeks of support is due, to include lost wages, childcare, and housekeeping. TBD

If delivery is via cesarean section, eight (8) weeks of support is due, to include lost wages, childcare, and housekeeping. TBD

Insurance - If Surrogate does not have health insurance, policies will be provided at expense of the Intended Parent(s). If Surrogate does have existing health insurance, the Intended Parent(s) will be responsible for all copays and deductibles. The Intended Parent(s) will be responsible for purchasing a life insurance policy for the Surrogate with Surrogate's chosen beneficiary named, in the amount of \$500,000 which will go into effect prior to starting medications with coverage continuing until at least 8 weeks postpartum. Intended Parent(s) may also purchase life insurance that names Intended Parent(s) as beneficiar(y/ies) to recoup costs and expenses in the event of Surrogate death.

Health insurance for Surrogate (if Surrogate's policy excludes surrogacy or if Surrogate has no existing policy). She currently has insurance (9/26/2025)- max out of pocket: \$6,000

Insurance Search and Policy Placement \$0

Health Insurance Review \$300

Life insurance for Surrogate with Surrogate's chosen beneficiary \$990

Life insurance for Surrogate with Intended Parent(s) as beneficiar(y/ies) ~\$250

Gestational Surrogacy Screening - Intended parent(s) are responsible for the cost of the background checks on the Surrogate and Surrogate's spouse, Surrogate and Surrogate's spouse's medical screenings, psychological screenings, and Surrogate's medical procedures, including all copays and expenses not covered by insurance. Intended Parent(s) are also responsible for the cost(s) of their psychological screenings.

Escrow/Trust Account Management Fees - All payments made to the Surrogate shall be paid to her by SeedTrust Escrow. This escrow account will be funded with \$15,000 within 15 business days of matching and medical records review of Surrogate by the Intended Parent(s)' Fertility Clinic. After the Legal Contract of the Gestational Carrier Agreement is complete, this escrow account must be funded to reach a \$90,000 balance within 15 business days. The escrow account should not fall below \$10,000 at any point in the surrogacy journey. If it does, Intended Parent(s) are responsible for depositing an amount specified by Await Surrogacy, L.L.C. within 10 business days. This specified amount should be the estimated funds necessary to cover the remaining costs of the surrogacy journey. The account should remain open up until 9 months after delivery.

Trust Account Management Fee \$2,000
