Good afternoon! School starts for students two weeks from today. I was recently made aware that the June TMS parent communication may have gone to last year's 6th, 7th, and 8th grade families, instead of all of this year's. Much of this will be a repeat for 7th and 8th grade families (**updates and new information are in yellow**). I wanted to make sure incoming 6th grade families received this information and remind others of some important dates and times. If you haven't picked up your TMS chromebook yet, you may sign up to pick it up from the District Office (203 E. Throp, Troy, IL 62294) or pick it up on August 8th in the TMS Library between 11am-7pm. This went out earlier this month from the technology department:

Starting immediately, the technology department will be taking appointments to pick up Chromebooks at the Central Office with pick-ups beginning on Wednesday, July 20th. You may sign up for Chromebook pickup by securing a slot using the sign up at the following link. <https://ttsu.me/cbdist22> We request that you allow at least 24 hours from sign-up to pick-up to allow our technology staff the ability to retrieve the Chromebook as they are stored off-site and we have well over 1300 Chromebooks to go through. Pick-up appointments will be available until Friday, August 5th.

(Original Email 6-24-22) Good Morning, TMS Families,

I apologize in advance for the length of this email, especially in the summertime, but I think you will find the information contained in this message extremely helpful as you begin to look forward to the 2022-2023 school year. I hope that you are all enjoying the summer break! As I write this message, I am just now preparing to begin my summer break. As such, I want you to know that the Triad Middle School Office will now be closed until Monday, July 18th. There will not be anyone in the office to answer phone calls or return emails for the next 3 weeks. If you have questions that cannot wait until July 18th or need assistance with the online registration process, please reach out to someone at the Triad District Office at 618-667-5400, but I believe many of your questions will be answered in this email.

Here's where the [Online Registration](#) information can be found. Parents/guardians of new students are encouraged to contact the TMS office at 667-5406 to answer any questions they have. **Technology Fees were pushed out to families in Skyward Family Access and are due July 29, 2022. For more information on how to pay Technology Fees, please read this document.**

2022-2023 student schedules will be posted in Skyward on Wednesday, August 3rd.

School Supplies & PE T-Shirts:

The 2022-2023 school supply lists for TMS can be found [here \(22-23 TMS Supply Lists\)](#).

All TMS students will have P.E. on their 2022-2023 schedule, regardless of other electives. Students will be required to purchase Triad P.E. shirts with their names on the back for the 22-23 school year. They will also be required to wear tennis shoes at all times. Triad P.E. shirts are available at many area vendors. All physical education students will be required to wear a standard uniform consisting of the following: a Triad P.E. T-shirt, (with last name on back), black shorts or athletic pants, athletic shoes and socks. Only Triad Physical Education T-shirts with the student's last name imprinted on the back will be accepted. Approved P.E. Shirts are sold at:

Open Building Event:

On **Monday, August 8th** the Triad Middle School hallways will be open for students to checkout their classroom locations and put school supplies in their lockers from **11:00am-7:00pm**. Office assigned locker numbers and locker combinations should be posted on the students' schedules when they are released in Skyward starting on August 3rd. Feel free to test out your locker combination and place any necessary school supplies in your lockers before the first day of school. This would also be a great time for parents/guardians to drop off physicals, dental exam or eye exam forms in the office for the office team to get to the new school nurse once they've been hired.

School Breakfast & Lunch

During the 2022-23 school year, families who do not qualify for free or reduced lunch will have to pay for school meals. Students whose families are eligible for free or reduced price breakfast or lunch will be able to access meals this school year at no cost or a discounted rate. Triad families who wish to apply for free or

Physicals / Important Health Services Forms & Links:

Please check out the [Triad CUSD#2 Health Services page](#) on the Triad website for important reminders on physicals, dental and vision forms, and other helpful forms and links.
