

Guideline for JAVET Authors

This paper presents a template for *JAVET (Journal of Asian Vocational Education and Training)*, which comprises a part of the author instruction. Authors are recommended to follow the manuscript described below for journal submission. You can see the format example based on manuscript format in page 3.

1. Manuscript Format

1.1 Overview of Manuscript

- (1) The manuscript format should follow this template. The template provides you with an A4 size.
- (2) The number of pages, including the figures, tables, author portrait with biography, acknowledgements, and appendix for all submission categories should be basically within 8-10 pages.

1.2 Structure of Manuscript

The manuscript should include the title, author(s) name(s), abstract, keywords, body text, and references.

1.2.1 Title
