

GENERAL:

- Commissions are only for personal, non-commercial purposes. If you wish to use it for any kind of economical end, you'll have to tell me as we'll have to discuss further matters.
- You may post the art wherever you want, just please credit me any time. In any case, **you may not claim the art piece as yours.**
- I get the right to decline a commission if I think it's inappropriate.
- I will do mecha, furry or even a bit NSFW, but have in mind I'm not used to draw it, so the final result may be not as good as usual.

COMMISSION PROCESS

- Firstly, you'll have to clearly state what kind of commission you want (bust, half body, full body ...) and provide enough references.
- Payment will occur around here: please read the following paragraph about the payment for more information
- A WIP will be provided when the sketch is finished and I won't continue after I have your approval. This means communication between us it's important. You should make sure everything is alright at this point, as changes in future parts of the process may add additional costs to the drawing (only if you agree change it)
- **I work very slowly:** college takes a lot of time from me and from time to time, I need rests and even time for myself, this is it so I'm at my best mood when working on a piece and that means a better result. That being said, if you need a piece done by a specific day, **please let me know** and I'll have it done by then.
- Once we're done, I'll gladly send a file with your piece at the highest resolution to your mail if you want.

PAYMENT

- **Payment will be done before I start drawing.**
- It will be only through Paypal and in € (Paypal has a currency converter)
- Your slot will be assigned right after I receive the money.
- Refunds may be possible only at sketch part with a reduced 15% of the original price minus the Paypal fee.
- If you wish to use it for a commercial use, other than printing or selling merchandising (**which is prohibited**), you have to tell me.
- If you needed the drawing for a specific date and I didn't meet the deadline, I will refund you the whole money (Sorry if this ever happens!! ☹)
