Time: 8:30 AM

Place: Bashas' / Taco Bell Parking Lot.

We will be brushing FR 167 that follows Gold Creek around the cut in the mountain North of Jakes Corner. We will split the group in half, so we can work from both ends of this trail.

Please bring loopers, trimmers, saws etc. for brushing. Hats, gloves and goggles are required. Additionally, bring lunch, water and chairs.

I hope to see you there.

Thank you for your participation.
