- Resourceful Network Administrator with over a decade of experience in technical training, project management, and technology operations, ensuring robust and secure networking environments.
- Specialist in network security, evidenced by expert knowledge in TCP/IP protocols and network security, resulting in consistently secure and efficient system operations.
- Proficient troubleshooter, demonstrating acute attention to detail and the ability to excel in high-pressure, mission-critical environments, leading to optimal system performance.

EXPERIENCE

20XX - 20XX

Network Administrator—USCG BOUTWELL (WHEC-719), Alameda, CA.

Network Infrastructure Overhaul Experience

- Spearheaded the complete redesign and deployment of the company's network infrastructure, integrating state-of-the-art Cisco routers and switches to support a 50% increase in network efficiency and capacity.
- Used advanced network simulation software (GNS3) for pre-deployment testing, resulting in a X% reduction in rollout time and minimal disruption to ongoing operations, with the project details showcased at TechSolutionsProjects.com/NetworkOverhaul.

Cybersecurity Incident Response Experience

- Led the rapid response to a sophisticated phishing attack, effectively isolating affected systems and deploying endpoint protection solutions, cutting down potential data breaches by XX%.
- Developed and conducted company-wide cybersecurity training sessions, significantly raising staff awareness and preparedness against cyber threats, with the program details published on SecureNetInsights.com/ CyberResponse.

20XX - 20XX

Supervisor/Assistant Branch Chief—Maintenance & Logistics, Alameda, CA

Cloud Migration Project Experience

- Led a comprehensive migration of 500+ workloads to AWS, achieving enhanced scalability and a X% reduction in operational costs, with a detailed migration strategy available at CloudifyTech.com/AWSMigration.
- Conducted post-migration optimization exercises, leveraging AWS Cost Explorer and custom CloudFormation templates to fine-tune resources, resulting in an additional X% cost savings and improved performance metrics.

EDUCATION

20XX - 20XX

B.S. Computer Science
Excelsior University, Alameda, CA

20XX - 20XX

A.S. Computer Technology
Empire College, Santa Rosa, CA

SKILLS

- Windows 8/10 | Windows 365 | Windows Server 2012 | UNIX /Linux
- Exchange Server 2013 Cisco IOS | TCP/IP / LAN/WAN | BGP | DHCP | DNS | TLS/SSL | Gigabit Ethernet
- VMware sphere / Data Center & Storage Management Platforms / Cloud Services (SaaS, IaaS, PaaS)

SOFTWARE

- Oracle ZFS Hitachi
- HCP/HDI
- Dreamweaver
