How to Request a UMN Box Account

Go to box.umn.edu Click the red "Enroll" box at the bottom of the page.

You will be required to review information about data security. To do so, click the blue "Continue" button.

The University requires that your data stay secure

Spend **two minutes** now (learning about Box Secure Storage) to keep it that way!

A few pages will require you click a box to confirm you have reviewed the information.

Box Secure Storage

Home

With Box Secure Storage you can Store and Share Sensitive Data

Box Secure Storage

You can keep your data secure by:

- Using Box Sync or Office Online rather than downloading data.
- Sync only on secure, managed devices that have:
 - o full-disc encryption,
 - o an active firewall, and
 - o antivirus software.
- Share only the data needed.
- Review file access and actions regularly.
- Follow safe data handling practices applicable to your data.

Box Secure Storage

Box Secure Storage offers secure, scalable, and user-friendly content sharing. Box allows content to be stored online, so it can be accessed, managed, and shared from anywhere. Access Box on mobile devices or seamlessly sync files to your laptop or desktop computer.

Login

New to Box? Click Enroll.

Enroll

After you have completed the account creation process, please fill out the <u>Funding Report Access form</u>. Once your form has been processed you will add to the funding report folder. Once added, you may receive an email confirmation.

Log in to Box to confirm you can access the folder titled "ETHOS Funding Report as of 10.6.23".

NAME	UPDATED ↓	SIZE
ETHOS Funding Report as of 10.6.23	Today by Linnea Anderson	1 File
