- ➔ *Full Singles are only available if the tour does not fill. This is because we are limited to the number of rooms on the boat. A Partial Single may be available if an even number of participants are interested in this option, and if so, a room will be shared on the boat and you will have a single at the hotels. If there is an odd number of participants, someone will be required to have a single.*

If you register after a scheduled due date, then all payments to that date are due. You can pay your balance in full at any time before final payment is due.*
- ➔ *In special circumstances, an alternative payment plan may be considered if necessary. An alternative payment plan from the above schedule will add an additional \$300 USD to your total. If you choose to make payments and do not make the payments on time, this \$300 will automatically be added to your invoice. If the final payment is two weeks past due, a \$300 late fee will be added to your balance.*

- ➔ *All payments are to be in US dollars only. Your total balance due will be provided in a quickbook invoice once your Registration Form is received.*

- **Please note:**

- The costs to operate tours in Egypt continue to increase every year. You may find other tours for less money, but know that Sacred Witness Pilgrimages will offer you an unforgettable journey at a fair and competitive price. The Egypt prices for Summer 2027 have not been released and may increase. If costs in Egypt increase beyond what is feasible to operate the tour at the published price, Sacred Witness Pilgrimages reserves the right to pass these increases on to the participants in order to ensure the tour can run as scheduled. That stated, we have yet to have to increase costs once the price is established. It is our hope to keep it this way.
- A minimum of 10 people is required to run at the advertised Package Price. If less than the minimum register, Sacred Witness Pilgrimages reserves the right to increase costs in order to ensure the tour can run.
- Be sure you understand the [Terms & Conditions, Tour Policies, and Travel Understanding & Agreements!](#) By registering for this tour, you give your consent and understanding of these terms, policies, and agreements.

- Laundry, SIM cards, and other items of a personal nature are not included.

- **Shopping:**

- Although shopping will not be an emphasis on this tour, there will be opportunities scattered throughout the tour for those who are interested to visit a variety of shops and markets for Egyptian goods. There are many wonderful items to procure from very inexpensive trinkets to expensive rugs and jewelry!

- **Tips:**

- Tips to hotel staff and at restaurants for meals not included in the itinerary are customary.

- **Travel Insurance:**

- *Cancel for any reason is emphatically encouraged.* If you opt to not procure travel insurance, you fully understand the cancellation policy and any potential loss if the tour can not run.
