

Lustre Hair Revival Oil 200 ml (6.7 fl oz)

Product Analysis:

The **Castor Oil + Argan + Rosehip Hair Oil** is a strengthening and restorative treatment designed to nourish and revitalize hair from root to tip. Formulated for dry, damaged, color-treated, and coarse hair types, this advanced blend promotes thicker, healthier-looking strands, supports scalp health, and restores natural shine while protecting against future breakage.

With argan oil for smoothness, castor oil for conditioning, and rosehip oil for rejuvenation, this formula delivers powerful results for hair resilience and vibrancy. To ensure easy application, the Hair Repair Oil is compatible with sprayer attachments, providing precise, even distribution to scalp and strands for both professional salon treatments and at-home care.

Ingredient Super Stars:

- **Castor Oil (*Ricinus communis*)**
Rich in fatty acids that deeply condition and strengthen hair.
Traditionally used to encourage fuller, thicker-looking strands.
- **Argan Oil (*Argania spinosa* kernel oil)**
Rich in essential fatty acids and vitamin E.
Restores elasticity, smoothness, and silky texture.

- **Rosehip Oil (*Rosa canina* fruit oil)**
Packed with antioxidants and vitamins A & C.
Helps restore vibrancy and protects hair from oxidative stress.
- **Olive Oil (*Olea europaea*)**
Moisturizes and softens coarse or brittle hair.
Adds manageability and natural gloss to strands.
- **Sweet Almond Oil (*Prunus amygdalus dulcis*)**
Lightweight hydration that nourishes without heaviness.
Helps smooth frizz and protect against dryness.
- **Vitamin E (Tocopheryl acetate)**
Antioxidant protection against environmental and chemical stressors.
Helps preserve color vibrancy and restore natural shine.

Ingredient List:

Ricinus communis (Castor) Seed Oil, Glycine soja (Soybean) Oil, Rapeseed Oil, Argania spinosa Kernel Oil, Olea europaea (Olive) Fruit Oil, Prunus amygdalus dulcis (Sweet Almond) Oil, Helianthus annuus (Sunflower) Seed Oil, Rosa canina (Rosehip) Fruit Oil, Linum usitatissimum (Linseed) Seed, Opuntia streptacantha Leaf Extract, Tocopheryl acetate

Recommended Usage:

Repair Treatment – Massage into damp or dry hair, focusing on mid-lengths and ends, to restore softness, strength, and shine.

Scalp Nourishment – Apply with sprayer attachment for even distribution directly to the scalp, helping reduce dryness and support stronger, healthier growth.

Frizz Control & Styling Aid – Smooth lightly onto mid-lengths and ends for shine, softness, and manageable texture.

Overnight Strengthening Mask – Spray evenly, massage through hair, and leave overnight for intensive nourishment and repair.

Target Markets:

- Professional salons and stylists
- Premium and natural haircare brands
- E-commerce beauty and wellness retailers
- Consumers seeking strengthening solutions for thinning, dry, or color-treated hair
