**Re: Letter of Support for the Tampa Bay Coastal Master Plan**

Dear Ms. Todd,

On behalf of **[Organization Name]**, I am pleased to provide this letter of support for the Tampa Bay Coastal Master Plan (TBCMP). We recognize the urgent need to address flood risk and enhance resilience across the Tampa Bay region through a collaborative, data-driven, and community-based planning process.

**[Organization Name]** affirms its commitment to serve as a **[Partner OR Collaborator - select one]** in the development of the TBCMP.

- *[If Partner, delete this highlighted text and collaborator bullet below]* As a partner, we will participate in quarterly Technical and/or Community Workgroup meetings, contribute to the risk assessment and project selection process, and share knowledge and expertise to strengthen the overall outcomes of the Plan.
- *[If Collaborator, delete this highlighted text and partner bullet above]* As a collaborator, we are committed to active and sustained engagement throughout the planning process. This includes participating in quarterly Technical and Community Workgroup meetings; engaging with community members, especially those from underserved communities; attending applicable training workshops; and supporting ongoing community conversations about flood risk and adaptation strategies. We will also assist in compiling data for flood risk assessment, identifying and proposing projects and project criteria, and disseminating the final plan and dashboard and help ensure that the TBCMP's findings are accessible, understood, and actionable across our networks.

We view the Tampa Bay Coastal Master Plan as a critical opportunity to build resilience across jurisdictions, prioritize equity in flood risk adaptation, and integrate nature-based solutions that benefit both communities and ecosystems. By contributing our expertise and connections, **[Organization Name]** is confident this process will deliver practical, equitable, and forward-looking strategies that prepare our region for future challenges.

We are proud to support this important effort and look forward to working with you and fellow stakeholders to strengthen the resilience of the Tampa Bay region.

Sincerely,
