Abstract. Please insert your abstract text here, with a maximum of 250 words. The abstract should reflect the main theme of the symposium, "*Regenerative Landscape*", and relate to one of the four sub-themes: *Ecology and Sustainability; Technology and Innovation; Social-Cultural and Economy Aspects;* or *Design and Planning*. It should clearly describe the topic of the research, project, or case study, followed by a brief explanation of its relevance and context. The methodology or approach used must be concisely outlined, along with a summary of the key findings. The abstract should conclude with the main outcomes, conclusions, and, if applicable, recommendations or directions for future research. The text must be typed on A4-sized paper, single-spaced, using 9-point Cambria font.

Keywords: Enter 3–5 keywords here, separated by semicolons (;). Keywords should be listed in alphabetical order and formatted using the 8-point Cambria font. Use lowercase letters unless the keyword includes a proper noun, scientific name, or official abbreviation.
