1) Start from the Burley Webpage.
2) Click on the Students Tab

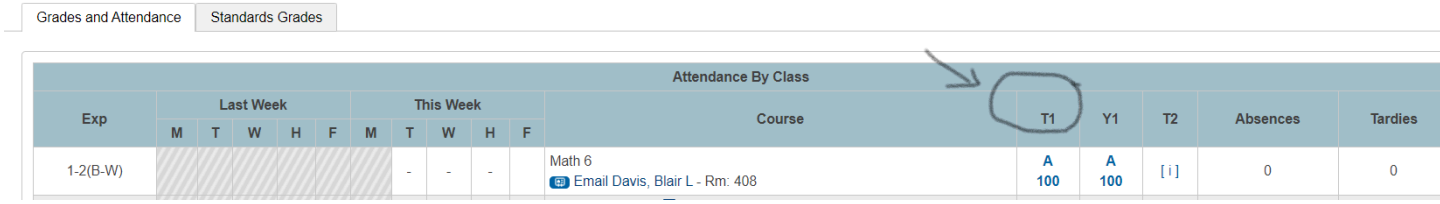

3) Click on the Powerschool Login

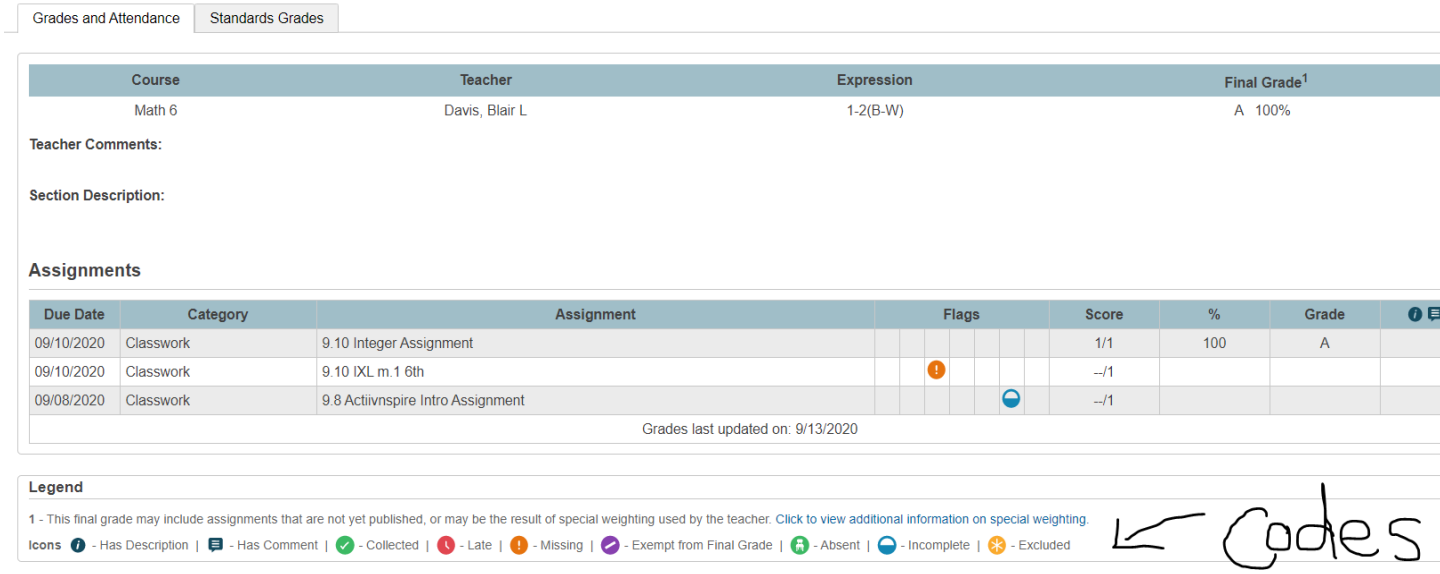

4) Login with your usual sign in (just your username not your email) and your regular password. Be sure your screen says "Student and Parent Sign in"

5) Once you are in you will see a list of your classes.

6) You are looking at T1. Underneath shows your student's cumulative grade. This student has an A. Click on the GRADE under T1 and you will get a list of assignments.

*As you can see the student scored a 1/1 on the first assignment, so it is complete.

*They have an orange flag on the 2nd assignment this means it is MISSING.

*A blue circle means INCOMPLETE, the student tried something but it is not finished.

If your child has any orange or blue flags, please encourage them to make up their work and email their teacher when they are finished so Powerschool can be updated.
