

Privacy Policy for Match Color Numbers

CruzersStudio ("we," "our," or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and disclose information when you use our mobile application, Match Color Numbers.

1. Information We Collect

By using Match Color Numbers, we may collect certain information automatically:

- * Device Identifiers: Such as your Advertising ID (GAID), device model, and operating system version. This is used for advertising and analytics.
- * Game Progress: We store your high score, levels unlocked, and total tiles cleared locally on your device.
- * Usage Data: Information about how you interact with the app, including button clicks and ad views.

2. Third-Party Services

Our app uses third-party services that may collect information used to identify you. These include:

- * Google Play Services: For app stability and delivery.
- * ironSource (Unity LevelPlay): We use ironSource for ad mediation. They may collect device data to serve relevant ads. You can find their privacy policy here: <https://www.is.com/privacy-policy/>

3. Advertising

This app displays Rewarded Video ads via ironSource. These ads allow you to earn in-game coins. Third-party advertisers may use cookies or similar technologies to collect information about your activities across different websites and apps to provide you with directed advertising.

4. Children's Privacy

Match Color Numbers is designed for a general audience. We do not knowingly collect personally identifiable information from children under 13. If we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers.

5. Permissions

The app requires the following permissions:

- * INTERNET: To fetch advertisements and game data.
- * ACCESS_NETWORK_STATE: To check if your device is connected to the internet.
- * AD_ID: Mandatory for providing relevant advertising.

6. Data Security

We value your trust in providing us your information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this page periodically for any changes.
