Article 5:

Technical Rules of Competition

1. The players must obey by the following rules:

- Greet each other (salute or shake hands)
- When calling the name of the player to the table, if any player is 15 minutes late, such player shall be considered as a loser

- Lottery to choose a location is only one time (with the white piece as the first move)
 - The competition timer is placed on the left hand of the white piece.
 - During the competition, if a player uses any hand to hold a piece, he must use that hand to press the timer.
 - By holding any piece, he/she must move that piece (by holding the competitor's piece, that piece must be capture. In case of refusal to change the position of that piece, the player shall be automatically considered as loser by the referee.
2. During the competition, if any player makes 3-time mistakes in 1 competition, such as: be moved fake of piece role, king is checkmating but move another piece, make to fall pieces etc., such player shall be automatically considered as a loser by the referee.
 3. The Khon (King) has the right to jump for 2 squares the same horse role for its first move to the left or right in the next row without killing, but in case of castling and killing, it cannot jump. In the case of castling, even if the boat is removed from the castling, the king is not allowed to jump.
 4. The Neang (Queen) has the right to jump for 2 squares straight ahead without killing.
 5. In the competition, player has the right count to draw is allowed to count aloud the following two conditions:

+ If the running partner has only Khon(king) remaining and all the Trey (Pawn) are promoted, the count is as follows:

- 1 Touk (Rook), count 16;
- 2 Touks (Rooks), count 8
- 1 Ses (knight), count 64;
- 2 Ses (knight), count 32
- 1 Koul (Bishop), count 44
- 2 Kouls (Bishops) count 22
- Neang (Queen) or Treybok (Promoted Pawn) no matter how many remaining, count 64

In the above cases, the count must continue with the number of pieces on the board.

+ If The player remained 3 pieces has the right to count 64 and must count from 1 to 64, for counting continuously or recounting, the counting player shall have the priority in case remain only Khon (king).

-In case Party (A), who is chasing Party (B), by mistake in any matter, causes Party (B) to gain the advantage, such Party (A) must recount according to the power of the pieces on the board.

In case of completed count (8, 16, 22, 32, 44 and 64), it shall be considered a draw.

Article 6:

Duration and number of matches

- One match of Ouk Chaktrang Cambodia by categories (60-minute, 5-minutes for each player)
- There are 2 game per match according to the conditions stated in Article 7.

Article 7:

Determination the Win, Loss, or Draw

The determination of loss, win or draw is divided into two cases:

A- Group Stage Round Competition for score in individual and the team

- 1- Any player who does not respect the rules is considered as a loser.
- 2- Any player who does not respect the code of ethics, such as saying loud words, disturbing the partner or using inappropriate words, showing inappropriate or immoral gestures, causing any problems during the competition, will be expelled from the competition and automatically considered as a loser.
- 3- Any player who has spent his/her time off (60 minutes time limit) is considered as a loser.
- 4- Individual Event the winner will get 1 point, the draw will get 0.5 point, and the loser will get 0 point for 1 game.
- 5- Team Event is totaled score of all the player in the each team, if which team has more than score is winner team.
- 6- In case of equal score
 - Individual event in case of equal score is judged by the history of competition of face to face in the group stage, who player winner must be promoted and If the competition history has the same result is judged by the time of competition, any player spent more less time is promoted to winner
 - Team Event is totaled score in team, in case of equal score is judged by totaling of competition time of all players in team and if which team spent more less time is promoted to winner team.
- 7- The disadvantaged party has the right to claim for counting 64 moves, in case of repeated moves, no capture, the match shall be considered as a draw. if there is a capture before the

64th move, that game is played on going. The committee has the right to decide on the match with repetitive moves and other cases in which the two parties cannot capture each other.

B- Knock-out

- 1- Any player who does not respect the rules is considered as a loser.
- 2- Any player who does not respect the code of ethics, such as saying loud words, disturbing the partner or using inappropriate words, showing inappropriate or immoral gestures, causing any problems during the competition, will be expelled from the competition and automatically considered as a loser.
- 3- Any player who has spent his/her time off (60 minutes time limit) is considered as a loser.
- 4- If in the first 2 game has result loser or winner the competition will be fished; but if the 2 game are drawn, the competition will be decided on the 3rd game.
- 5- If in the 3rd game is drawn in 60 minutes, then the competition will be judged according to the time; any player who has spent more less time is promoted to winner.
- 6- Team Event: If knock-out team, The team have total score equal, that must be lottery to take 1 player of the each team to team representative to match 3rd game to judge winner team. (If in the 3rd game is drawn in 60 minutes, then the competition will be judged according to the time; any player who has spent more less time is promoted to winner team).
- 7- The disadvantaged party has the right to claim for counting 64 moves, in case of repeated moves, no killing, the match shall be considered as a draw. if there is a kill before the 64th move, the party demanding a draw must play again. The commission has the right to decide on the match with repetitive moves and other cases in which the two parties cannot capture each other.

Article 8:
