

Unprecedented in craftsmanship and opulence, the Trump Taj Mahal is an awe-inspiring architectural masterpiece filled with the finest carpets, chandeliers and works of art in the tradition of the world's most grand and enchanting palaces. The Trump Taj Mahal showcases \$14 million worth of German crystal chandeliers, including 2,000 piece chandeliers in the casino alone, each valued at a cost of \$250,000, and taking over 20 hours to hang. A city within a city, the Trump Taj Mahal, features the world's most elegant and expansive themed suites with magnificent ocean views, individual spas, butler service and the private, bi-level Maharajah Club for intimate gatherings, light dining, reading and relaxation.

The Trump Taj Mahal is one of the largest casinos in the world. Step onto the casino floor and indulge yourself. With over to 5,000 slot machines, 210 table games, an exquisite Baccarat Pit, plus a state-of-the-art Simulcast Facility and a smoke free poker room that is home to the United States Poker Championship, it's no wonder the Trump Taj Mahal was voted "Best Casino" by the readers of Casino Player magazine.
