

Hi earth people!

You have registered for the Venus Retrograde Writing workshop with Zenaida/Puppet which is tonight at 7pm (with a 6:30pm arrival time for folks in person.)

For Everyone:

[This is your Venus Rx Playlist!](#) When you are getting ready for the workshop, get cozy, get grounded. Bring anything you need in order to be able to write. You will get lots of info about this retrograde and venus retrogrades generally and what it means for your life and of course, many writing prompts.

A transcript of the workshop will get sent out at 7pm tonight for folks who want to read along or for folks who are not able to join live. This way you don't need to worry about taking notes if you don't want to either.

For folks Joining in JP:

is a 5 min walk from Forest Hills up a slight hill with 5 stairs to get into the first floor and more to get to a bathroom. Prior to arrival please take a covid test and/or plan to mask. We will be inside with windows open.

For Folks Joining Virtually:

[The google hangout link for tonight is here.](#) It is not too late to join us in person if you would like, workshops IRL are always nice! And I am happy to provide this workshop virtually as well to make it more accessible for folks.

looking forward to seeing you soon!

with faith in our liberation,
Zenaida
