If you want these sweet like sugar Gucci lips
You gotta give it up

But I ain't one of the boys
No, don't be scared that I'm gonna tie you

I need a little more

Baby, don't call me your friend
If I hear that word again
You might never get a chance to see me
naked in your bed
And I know girls ain't hard to find

Forget How to Love

Did you forget how to love?
'Cause I been pickin' up all the pieces of my
broken heart
Why you gotta behave (why you gotta behave)
That way? (That way?)
I'm tryna find a way back, you make it so
damn hard (oh)

I know, I know your words shouldn't hurt me
(but they hurt me, yeah, they hurt me)
Sometimes, your sticks and stones, they be

All you wanna do is make me feel unworthy
(but I'm worthy)
Hm, how did we end up here?

Did you forget how to love? (Love)
Did you forget how to love? (Love, oh, did
you?)
Just because you're drowning in your pain
That don't mean I gotta feel the same

I wanted to buy a house in Malibu, hmm-mm

But there's only one of me

And I can't do it all

Call me superwoman, but I know I'm not that
strong, hmm-mm

Because I cry more than a little

And if I'm superwoman

I'm flyin' in the rain (flyin' in the rain)

And I wonder, will it ever get old bein' a
superwoman

Smilin' through the pain (smilin' through the
pain)

Even heroes cry

So why can't I? Why can't I?

I don't really have any archenemies

My only villain is myself

I'm not quite exactly who I wanna be,
hmm-mm

I can't be anybody else

And I can't do it all

So call me superwoman, but I know I'm not
that strong

No, oh-oh

Because I cry more than a little

And if I'm superwoman

Flyin' in the rain (flyin' in the rain)

And I wonder, will it ever get old bein' a
superwoman

Smilin' through the pain (smilin' through the

Even heroes cry

So why can't I? Why can't I?

Even heroes cry

So why can't I? Why can't I?

Superwoman

Hmm-mm

I wanted to get on stage and sing for you

I wanted to start a family

The Timeless Tour: Setlist

Like I'm Gonna Lose You

(Turn on flashlight because in the title tour, flashlight was put on during this song.)

I found myself dreaming in silver and gold
Like a scene from a movie that every broken heart knows
We were walking on moonlight, and you pulled me close
Split second and you disappeared and then I was all alone
I woke up in tears with you by my side
A breath of relief, and I realized
No, we're not promised tomorrow

So I'm gonna love you like I'm gonna lose you
I'm gonna hold you like I'm saying goodbye
Wherever we're standing, I won't take you for granted
'Cause we'll never know when, when we'll run out of time
So I'm gonna love you like I'm gonna lose you (lose you)
I'm gonna love you like I'm gonna lose you

In the blink of an eye, just a whisper of smoke
You could lose everything, the truth is you never know
So I'll kiss you longer, baby (hey), any chance that I get
I'll make the most of the minutes and love with no regret
Let's take our time to say what we want (say what we want)
Use what we got before it's all gone (all gone)
'Cause no (no), we're not promised tomorrow

So I'm gonna love you like I'm gonna lose you (lose you)
I'm gonna hold you (hey) like I'm saying goodbye

Wherever we're standing (yeah), I won't take you for granted
'Cause we'll never know when, when we'll run out of time

So I'm gonna love you (I'm gonna love you)
Like I'm gonna lose you (like I'm gonna lose you)
I'm gonna love you (love) like I'm gonna lose you
I'm gonna love you (oh)
Like I'm gonna lose you (like I'm gonna lose you)
I'm gonna hold you like I'm saying goodbye
Wherever we're standing, I won't take you for granted
'Cause we'll never know when, when we'll run out of time

So I'm gonna love you (I'm gonna love you, baby)
Like I'm gonna lose you (like I'm gonna lose you)
I'm gonna love you (oh) like I'm gonna lose you

Dear Future Husband

Dear future husband
Here's a few things you need to know if
You wanna be my one and only all my life
Take me on a date, I deserve it, babe
And don't forget the flowers every anniversary
'Cause if you'll treat me right, I'll be the perfect wife
Buying groceries, buy, buying what you need

You got that 9 to 5, but baby, so do I
So don't be thinking I'll be home and bakin' apple pies

The Timeless Tour: Setlist

I never learned to cook, but I can write a hook

But I can shake it, shake it
Like I'm supposed to do
'Cause I got that boom, boom
That all the boys chase
And all the right junk in all the right places
I see the magazines workin' that Photoshop
We know that shit ain't real
C'mon now, make it stop
If you got beauty, beauty, just raise 'em up
'Cause every inch of you is perfect
From the bottom to the top

Yeah, my mama, she told me, "Don't worry
about your size"

Wave

I want what I can't have, still holding on to
hope
Drowning in my tears, this love's a sinking
boat
Oh, oh, this love's a sinking boat
Oh, oh (No)

Once my hands have reached the shore
You pull me back in
And I shouldn't beg for more
But I don't want it to end

Just take me like a wave (Wave, wave, wave)
Oh, take me like a wave, oh (Wave, wave,
wave)
Take me like a wave, pull me back and forth
Crash into my arms, tell me I am yours
Take me like a wave, oh, ah (Wave, wave,
wave)

The Timeless Tour: Setlist

Head at the surface, I'll keep you afloat
I'll keep you safe, yeah (Yeah, yeah)

'Cause I miss the way you're dancing on me,
yeah
Let me pull you back in (Yeah)

Hate It Here

I've been tryna go
And I can tell you know
Come on and take me home
Wanna leave, wanna leave
Wanna leave, wanna leave

'Cause, baby, I'm upset
Get me out this dress
Want you to take me home
Yes, I hate it here

Good-bye!
'Cause I'm about to lose my mind
And I know it ain't just me tonight
Get loud if you wanna disappear
Say, "Yes. I hate it here"

I hate it, I hate it here
I, I hate it
Yes I hate it here
I hate it, I hate it here
I, I hate it
Yes I hate it here

Wouldn't you rather be at home with me?
Getting naked under the sheets
Baby, that's where I'm tryna be
(Wanna leave, wanna leave
Wanna leave, wanna leave)
Call me your little dancing queen
Get together, just you and me
Baby, don't you wanna leave

That I woke up feelin' this way

Whoops

It's the real difference between an adult and a child

Whoops! You messed up
Ran around and then you got caught
Whoops! You messed up
Now, you crying about what you lost
You did me dirty
Hope she was worth it
You say you're sorry
But I think what you really mean is

Whoops!
We had a good thing
With cute-ass nicknames
Guess our forever
Turned into never

And she got 'bout half
Of my looks with no class
Now you say, come back
But I think what you really mean is

Whoops!
You messed up
Ran around and then you got caught
Whoops! You messed up
Now, you crying about what you lost
You did me dirty
Hope she was worth it
You say you're sorry
But I think what you really mean is

The Timeless Tour: Setlist

Whoops!
Get gone
Pack it up babe
We done
I say, Whoops!
Get gone
That's enough, babe
We done

Thought you were sneaky
But you made it easy

And she got 'bout half
Of my looks with no ass
Now you say, come back
But I think what you really mean is

Whoops! You messed up
Ran around and then you got caught
Whoops! You messed up
Now, you crying about what you lost
You did me dirty
Hope she was worth it
You say you're sorry
But I think what you really mean is

ever did, hey!
